Ready to review!

After a year and more than 1,000 comments, we're excited to present and refine the Jerome Township Comprehensive Plan update. Let's work together to assign priorities and consolidate all the recommendations! Join the Open House on November 13 and share your valuable feedback!

» *What is a comprehensive plan?*

A comprehensive plan is a broad policy document that outlines the vision for our community and helps shape the recommendations the Township will pursue over the next 20 years. Our previous plan was completed in 2008, making this update essential.

» *How can I find out more?*

Visit the website listed on the front of this postcard to review the draft Comprehensive Plan and related documents.
